

KINSON PHOTO CLUB

COMPETITION RULES (Revised July 2023)

GENERAL

Only members who have paid their annual subscription are eligible to enter the competitions.

Manipulation of the photograph is permitted but all component parts of the final image must be entirely the work of the photographer. For example, it is permissible to drop in another sky that the member has photographed but it is **not** permissible to use a sky from another source e.g. stock library photo.

For all competitions there is an entry fee of 50p per image.

PRESENTATION

- Prints - All prints should be mounted. The mount should be **no smaller** than 10"x8" (256mm x 205mm) and **no larger** than 19.7"x15.7" (500mm x 400mm).
All prints must be identified on the rear with the members name and the title of the image in the top left corner. The members name must not appear on the print nor on the front of the mount.
- DPIs - All entries should be sized to be up to a maximum of **1400 pixels** horizontally **AND** up to a maximum of **1050 pixels** vertically and should be in **jpeg** and **sRGB** format.
Entries should be given a filename containing just the title e.g. *Pretty Flower.jpg*.
Entries should be submitted to the Competition Secretary on a memory stick or by email **two weeks** prior to the competition date.

LEAGUE COMPETITIONS

New members would normally join the Members League but may be promoted to the Advanced League at the discretion of the committee.

- Print Entries - A maximum of 3 colour prints and 3 monochrome prints may be entered into each competition.
- DPI Entries - A maximum of 5 images may be entered into each competition.

At the end of the season, the top scorers in the Members League will be invited to move into the Advanced League.

ANNUAL COMPETITIONS
